Sir,

Sub: Providing a Dental clinic at the Government Taluk Headquarters Hospital, Puttur.

I write to state that there is a keenly felt need for opening a Dental Clinic at the Govt. Taluk Headquarters Hospital, Puttur, South Kanara.

I understand that the expenditure to Govt. on this account is not much, as Dr. M. Sridhara Rao who is a Dental surgeon at Puttur whom I have consulted has agreed to work as honourary Dental Surgeon in the hospital. Government will have to provide only the equipment necessary for opening such a clinic. I request that this matter may be given early consideration.

Thanking you,

Yours sincerely,

K. Venkataramana Gowda

Ref.No.1568-G/56-3 dated 15--2--56.

Sir,

Medical Institutions - Government Hospital, Puthur -South Kanara District - Opening of a Dental Clinic

Ref:- Government Memorandum No.128907-H.II/56 Health dated 27-12-1955.

I have to state that there is already a Dental Clinic in the Government Hospital, Karkala sanctioned in G.O.Ms.No.1348 Health dated 25-4-52. There is also a Dental Clinic functioning in the Government Wenlock Hospital, Mangalore which was sanctioned in G.O.No.1368 Public Health dated 14-4-49. In this connection I may state that the intention is that Dental Clinics should be opened in all the District Headquarters Hospitals in the first instance before proceeding to open Dental Clinics in Taluk Headquarters Hospitals. At present there are no Dental Clinics in some of the District Headquarters Hospitals like Ramanathapuram, Palayamkottai, Vellore and Chingleput. In the circumstances I consider that the opening of a Dental Clinic in Taluk Headquarters Hospitals may be taken up later, when all the District Headquarters Hospitals are provided with Dental Clinics. Therefore I consider the question of opening a Dental Clinic at the Government Hospital Puthur,South Kanara District may be deferred.

2.With reference to para 2 of the Government memorandum cited I have to state that the only Taluk Headquarters Hospital where there is a Dental Clinic is the one at the Government Hospital, Karkala sanctioned in G.O.Ms.No.1348 Health dated 25-4-52.

Yours faithfully,

for Director of Medical Services.

Opening of a Dental clinic - Regarding.

Ref: This office letter Ref.No.1569-G/56-3 dated 15-2-56.
Government memo No.128907-H-2/55 Health, dated 1-3-56.
Government memo No.128907 -H2/55 Health,dated 28-5-56.

I enclose for the information of Government a copy of letter C.No.974-G1/56 dated 25-5-56 together with its enclosure received from the District Medical Officer, South Kanara who was referred to in the matter. It may be seen from the above two communications that Dr.M.Sridhara Rao would claim for remuneration later, and that he would like to have a well equipped dental clinic at Puthur. Dr.Sridhara Rao has, in this connection, stated that he may be given the same rank of an Honorary Dentist as employed in Wenlock Hospital, Mangalore.

2. In this connection, I may state that the space available in the Government Hospital, Puthur is not sufficient for a well equipped dental clinic. Further Dr.Rao even at the outset is dictating terms in respect of remuneration. He states that he would claim remuneration on a par with the Dental Surgeon at the Government Wenlock Hospital,Mangalore. In these circumstances I consider that it may not be worth-while to open a dental clinic at the Government Hospital, Puthur with the probable offer of the Honorary services of a dentist at Puthur who is already dictating terms of remuneration etc. and for whose work it may not be possible immediately to equip a decent dental clinic at the hospital.

Yours faithfully,

For Director of Medical Services.

Sub: Opening of a Dental Clinic at Government Hospital, Puttur - proposals - regarding.
Ref: Your Ref.No.1569-G/56-6, dated 7-5-1956.

I herewith enclose a*copy of Roc.No.371-56, dated 22-5-56 from the Medical Officer, Government Hospital, Puttur for your kind reference.

Sri M. Sridhara Rao, has already raised the following points:-

1. That he would claim a remuneration.

2. That he would claim parity with the Dental Surgeon at Government Wenlock Hospital, Mangalore who is given an honorarium of Rs.150/- P.M. I may state in this connection that a new appointee at the Erskine Hospital, Madurai, one of the largest institutions, was being paid Rs.75/- only in 1954.

3. That he should have a well equipped dental clinic at Puttur.

As regards this, I have to state, since there is hardly any space this person will start complaining about the adequacy etc.

Since Sri M.Sridhara Rao has even at the outset, (before his appointment) started dictating his terms, I do not recommend his appointment under the circumstances.

2. Letter dated 21-5-56 from Sri M. Sridhar Rao. Regd. Dental Surgeon, Puttur.

Sri M. Sridhara Rao, registered dental surgeon, Puttur has stated in his letter (2) cited above that he would, if appointed as a dental surgeon in this institution, claim for a remuneration within a reasonable time after the appointment. He also wrote that, since he is not aware of the nature and duration of duties in the hospital, the rate, at which he would claim the remuneration, cannot be stated at present. But, again he has made it clear that he wants the same treatment as given to the dental surgeon in Wenlock Hospital, Mangalore.

Sir,

Sub:- Government Hospital, Puthur - Opening of a Dental Clinic.

I am directed to refer to your letter dated 22-12-55 addressed to the Minister for Health on the above subject and to state that Dr.M.Sridhara Rao, while expressing his willingness to work as an Honorary Dentist in the Govt. Hospital Puthur, has stated that he should be given the status and remuneration of the Honorary Dentist in the Govt. Headquarters Hospital, Mangalore, and that the Dental Clinic in the hospital at Puthur should be well equipped. The space available in the Government Hospital, Puthur, is not sufficient for a well equipped Dental Clinic. Further, Dr.Rao has, even at the outset, begun to stipulate terms in respect of his status, and remuneration, etc. In the circumstances it is not possible to open a Dental Clinic at Puthur for the present.
